Article - Health - General

[Previous][Next]

§5–602.1.

- (a) In this section, "mental health services" has the meaning stated in § 4–301(k)(1) of this article.
- (b) An individual who is competent may make an advance directive to outline the mental health services which may be provided to the individual if the individual becomes incompetent and has a need for mental health services either during, or as a result of, the incompetency.
- (c) (1) An individual making an advance directive for mental health services shall follow the procedures for making an advance directive provided under § 5–602 of this subtitle.
- (2) The procedures provided under § 5–604 of this subtitle for the revocation of an advance directive shall apply to the revocation of an advance directive for mental health services.
 - (d) An advance directive for mental health services may include:
- (1) The designation of an agent to make mental health services decisions for the declarant;
- (2) The identification of mental health professionals, programs, and facilities that the declarant would prefer to provide mental health services;
- (3) A statement of medications preferred by the declarant for psychiatric treatment; and
- (4) Instruction regarding the notification of third parties and the release of information to third parties about mental health services provided to the declarant.
